THE PROCEEDINGS

TWO CLAIMS. ONE VEHICLE.

- 01 M01RG980 — N32 judgment, 16 June 2026
 - 02 N01ZA273 — N510 / N215 service chain, 23 February 2026

 - 04 The Mazda CX-5 is the physical subject matter joining every part of the record

Two claims on paper — one vehicle in fact.

ONE SUBJECT

TIMING — NOT OUTCOME

WAS THERE A PRACTICAL OPPORTUNITY?

- 01 The N244 did not guarantee relief
- 02 The question is whether stay, preservation and oral hearing could be determined before removal
- 03 The renewed N244 under CPR 3.3(5) remained undetermined when enforcement removed the subject matter

A remedy must have time to operate.

BREACH I — ONE ANSWER FOR FOUR REQUESTS

- 01 The N244 dated 29 June sought stay, preservation, inspection and case management
- 02 ER1 (15 July) struck out the whole as one appellate challenge
- 03 The recorded answer did not differentiate the materially distinct reliefs

UNDIFFERENTIATED DISPOSAL

*One strike-out answered
questions it never addressed.*

STRUCK OUT

ONE STRIKE-OUT ANSWERED QUESTIONS IT NEVER ADDRESSED.

EDITORIAL COLLAGE — NOT EVIDENCE

BREACH II — A REASON FOR APPEAL, SILENCE FOR THE REST

INSUFFICIENT REASONS

- 01 ER1 directed the substantive challenge towards appeal
- 02 No recorded reason addressed stay, preservation, inspection, hearing-record or case-management relief
- 03 An appeal did not automatically suspend enforcement

*Silence is not a reason.***REASONS REQUIRED**

SILENCE IS NOT A REASON.

BREACH III — THE COUNTERCLAIM REMAINED LIVE

NO RECORDED FATE

- 01 N32 ordered delivery, premises-entry permission and fixed costs of £502
- 02 The Counterclaim pleaded defects, vulnerability, disability and an unfair relationship under CCA 1974 s.140A
- 03 Valuation model: 121% of actual turnover — turnover presently unknown
- 04 No recorded direction shows preservation, stay, severance or strike-out

*A live claim cannot vanish
from the record.*

BREACH IV — SERVED, SIGNED FOR, THEN SILENCE

N01ZA273 UNRECONCILED

- 02 Signed for on 23 February 2026 at 09:35 / 09:36
- 03 N510 and N215 recorded on the court file
- 04 No recorded disposition: continue, stay, transfer, consolidate, sever or strike out

*A documented claim required
a recorded direction.*

NO DIRECTION

A DOCUMENTED CLAIM REQUIRED A RECORDED DIRECTION.

STAY NOT DETERMINED

BREACH V — THE CLOCK RAN OUT

- 01 22 July — ER1 received
- 02 24 July — renewed N244 filed under CPR 3.3(5)
- 03 4 August — vehicle removed at 13:30
- 04 The covering letter warned that recovery could defeat the requested relief

The court had not spoken before possession changed.

EVIDENTIAL CONTROL

BREACH VI — THE VEHICLE WAS EVIDENCE

- 01 Pledged defects included missing and defective components
- 02 Engine-bay contamination, battery failure and water ingress were also pleaded
- 03 Possible structural misalignment remained in issue
- 04 ER6 paragraphs 4–5 sought non-alteration, preservation and independent inspection
- 05 No protocol was established before control passed to the recovery contractor

Alter the evidence and you alter the case.

DO NOT ALTER

ALTER THE EVIDENCE AND YOU ALTER THE CASE.

TYPE 2 DIABETES · LITIGANT IN PERSON

BREACH VII — VULNERABILITY REQUIRED AN ANSWER

- 01 No recorded consideration of diabetes
- 02 No recorded litigant-in-person accommodation
- 03 No recorded assessment of mobility consequences
- 04 No recorded oral hearing or procedural accommodation

Disclosed vulnerability demanded a recorded safeguard.

NOT RECORDED

CPR 3.3(5) REMEDY FAILED

BREACH VIII — A RIGHT WITHOUT TIME

- 01 ER1 expressly provided a right to apply
- 02 The renewed N244 was filed within the period
- 03 CPR 3.3(7) required an oral hearing unless totally without merit
- 04 The vehicle was removed before any oral hearing

A right that cannot operate is not an effective remedy.

REMEDY WITHOUT EFFECT

A RIGHT THAT CANNOT OPERATE IS NOT AN EFFECTIVE REMEDY.
